

Administration Schedule – 2011

Examinations may be taken at any of the regular scheduled administrations for any of the counties that Gainesville Independent Testing Service, LLC provides examinations for unless the county has specific directions otherwise.

Tests may also be taken at the Ocala office in Marion County with pre-approval, if required, from a sponsoring agency on a walk in basis on days and times that we are normally open. Scheduling at other offices and locations require a longer lead time for quality control purposes. Tests are not “stored” at any site for administration purposes except those scheduled during a one week period. Some test administrations may require an additional fee if special arrangements are needed to accommodate the individual taking the examination. No additional fees will be assessed for accommodations that are for documented disabilities.

NOTE:

Examination sites may change at the discretion of GITS, LLC, and notification of the actual examination site will be included in the Candidate Test Confirmation Letter. Please look at the letters carefully for the site assignment.

For 2011, Gainesville Independent Testing Service, LLC, is offering some new and different things. In addition to the 19 computer based testing centers that your candidates have access to for testing with us, our two locations, and the regularly scheduled locations for the above we are looking into other possibilities for you, these will be announced on our website as they are finalized. For the ultimate customer service we will base testing locations directly in offices of cities and counties we are testing with. This has been done in Hernando County and Palm Beach County in the past with a great deal of success. Software technology and cameras allow us and the county employees to “proctor” the examinations and watch for irregularities. And the applicants don’t have to go to any additional locations.

We have moved our Broward County, South Florida test administration office to Plantation. The new address there is 100 South Pine Island Road, Suite 100. This is at the southeast corner of Pine Island Road and Broward Blouvard; it is easy to reach from I-75, 595, 95, and the Florida Turnpike.
